INTRODUCTION

1. APPLICATION

1.1 These General Terms and Conditions of Sale and Delivery of products and services ("**General Terms and Conditions**") apply to the delivery by **Grundfos Pumps Baltic SIA,** reg. no. 40003500153, legal address Rīga, Gunāra Astras iela 8B, LV-1082, Latvija ("**Grundfos**") of products, services, and products in connection with services to customer.

1.2 The parties have entered into an agreement, when one party's offer is accepted by the other party, without reservations or alterations. The offer, the acceptance, the General Terms and Conditions (irrespective of reference or not), and any changes to the aforesaid explicitly accepted by parties in writing, constitute the agreement for customer's purchase of products or services (the **"Agreement"**).

1.3 Customer must ensure that Grundfos' acceptance corresponds with customer's order.

2. INFORMATION BY GRUNDFOS

2.1 Customer is encouraged to seek any necessary technical advice from third-party. Grundfos is not liable for information given to customer (or any third party acting on customer's behalf) before, on or after the Agreement has entered into force, unless the parties have entered into a written agreement including Grundfos' advice and separate payment for any such advice.

2.2 If the parties enter into an agreement based on advice from Grundfos, then Grundfos' advice is given only within Grundfos' field of operation, to Grundfos' best knowledge at the time the advice was given and solely based on the information provided by customer to Grundfos.

PRODUCT SPECIFIC REGULATION

3. GRUNDFOS' INSPECTION

3.1 All products are subject to inspection and standard testing before dispatch from the factory. Grundfos may supply a test certificate on customer's demand and at a charge requested by Grundfos. The test certificate is intended to establish the fact that products are manufactured following Grundfos' specifications unless the products are disapproved by the test.

4. DELIVERY OF THE PRODUCTS AND TIME OF DELIVERY

4.1 Grundfos shall deliver all products at the place and time agreed in writing, provided that customer has ensured that all technical details and formalities concerning the execution of the Agreement are available to Grundfos. Customer shall bear all shipment cost, including but not limited to, insurance cost, if a place of delivery is located outside of Estonia/Latvia/Lithuania. Shipment cost will be calculated based on shipping conditions and other information indicated in purchase order. Any expedite service, change to delivery instructions and further re-forwarding will be at Customer's expense and risk. By placing a purchase order, Customer agrees to pay any shipment and additional delivery costs charged for or in connection with the product delivery.

4.2 If products are not delivered [90] days after the agreed delivery date, customer may terminate the part of the Agreement concerning products in delay by written notification.

4.3 If customer does not take delivery (fully or partly) on the date agreed, customer shall pay as if delivery had been made, and Grundfos is entitled to damages from customer for any loss suffered due to non-delivery including additional transportation and storage costs. Grundfos may alternatively terminate the Agreement (or part thereof) and claim damages from customer for any loss suffered caused by non-delivery, including any additional transportation costs.

4.4 Grundfos may deliver the products by instalments in any sequence.

4.5 No Agreement can be cancelled in part or in full without the prior written acceptance by Grundfos, except in on conditions directly specified in these General terms and Conditions. If cancellation is approved by Grundfos, Grundfos shall impose a cancellation fee. The minimum cancellation fee shall be 50 % of the value of the cancelled product (excluding taxes), and the maximum cancellation fee shall be the full price of the product (excluding taxes), as necessary for Grundfos to cover Grundfos' actual costs of material, fabrication costs, special engineering costs and the costs associated with testing, handling, and accounting.

4.6 Except to the extent Grundfos is required to do so by applicable law, no products can be returned without the prior written acceptance by Grundfos. If a return is approved, Grundfos will accept the return of products of proper quality under the following conditions and charges:

(i) Customer must return the product within 3 working days from the delivery date subject to Grundfos' authorization and pursuant to a written Return Material Authorization ("**RMA**"). Grundfos will not be under any obligation to accept products of proper quality returned by a Customer after that time period or without RMA;

(ii) If Grundfos accepts the return of a product, the product returned must be accompanied by Grundfos RMA, the original invoice number, date of purchase, purchase order number and a reason for return. Freight and insurance for products to be returned to Grundfos must be pre-paid by Customer;

(iii) All products must be returned in their original packaging, unsoiled, undamaged and in an immediate resalable condition. Any returned product will be subject to an inspection. If after inspection, Grundfos accepts the returned product, credit will be issued for the purchase price less cancelation fee applied as per clause 4.5; and

(iv) If Customer does not follow Grundfos return instructions as per RMA, the approval will be reversed, and the claim rejected. In this case, the product will be returned to Customer at Customer's cost.

5. RISK AND TITLE

5.1 Grundfos' term of delivery of products is DAP (cf. Incoterms 2020) at the place of delivery or as otherwise specified in the Agreement.

5.2 For products delivered in connection with service, the risk of loss of or damage to the products will pass to customer on completion of the services. However, if the products are delivered together with the services, but so that the products are temporarily placed at customer's/end-user's site until installation (without Grundfos being present at the site), the risk of the products passes to customer when Grundfos delivers the products to the site.

5.3 Ownership of the products will not pass to customer until Grundfos has received payment in full. If customer does not pay, Grundfos is entitled to take back the products at the sole cost of customer. Such retention of ownership does not affect the passing of risk.

6. EXAMINATION

6.1 Immediately upon delivery of products (not delivered and installed in connection with service), customer shall examine the products for any visible defects, or shortage, and ensure that the delivered products comply with the order confirmation. If customer does not make such examination and notify Grundfos accordingly (if relevant) without delay, customer shall forfeit its right to claim any defects in the delivered products, which customer could have discovered during such examination.

The parties may agree that Grundfos shall perform work outside normal working hours; Grundfos will invoice for such hours at Grundfos' applicable rates.

7.4 If Grundfos has not performed and delivered the services 90 days after the agreed delivery date, customer is entitled to terminate, by written notification, the part of the Agreement in delay.

Grundfos shall not be liable for any breach of its obligations under the Agreement, to the extent that such breach is due to Grundfos' observation of customer's health and safety regulations, unless Grundfos had received a written copy of such regulations before entering into the Agreement.

7.7 Unless otherwise agreed, Grundfos will perform the services by one person. In due time before Grundfos' performance of the services, customer shall inform Grundfos, if the performance of services will require more than one person. If customer fails to do so, Grundfos may invoice all accrued costs to customer.

7.8 Grundfos shall be entitled to sub-contract any of its obligations without the consent of customer. Grundfos is liable for any acts or omissions of its sub-suppliers.

GENERAL REGULATION

9. PRICE, PAYMENT TERMS AND INVOICING

9.1 The price for the products and services is as stated by Grundfos in the Agreement.

9.2 Grundfos will invoice customer upon delivery. Customer shall pay Grundfos as stated in the order confirmation or in the absence hereof within [30] days from the date of the invoice.

9.3 Any amount payable by customer is exclusive of amounts in respect of value added tax, sales tax or other excise duties chargeable. Customer shall pay any of the aforementioned at the same time as payment is due for related products or services.

9.4 Following applicable law, customer shall (i) pay withholding taxes directly to the appropriate government entity as required by applicable law; (ii) upon request, provide a tax certificate to Grundfos evidencing that customer has paid withholding taxes; (iii) pay Grundfos only the net proceeds after customer has paid withholding taxes; and (iv) fully cooperate with Grundfos in seeking a waiver or reduction of withholding taxes and promptly complete and file all relevant documents.

Interest is fixed at [2] % per month of overdue amount. Interest will accrue daily from the due date until actual payment of the overdue amount or until the amount of interest reaches overdue amount, whichever is earlier. Interest stops accruing when the interest amount reaches the outstanding amount. Grundfos may also (i) make further supply subject to guaranteed payment and suspend other deliveries until customer has provided the guarantee required by Grundfos; or (ii) suspend the provision of further deliveries until customer has paid the overdue amounts in full.

9.6 If customer does not pay overdue invoices (despite one reminder) or in the event of termination of the Agreement, then all payments payable to Grundfos, become due for immediate payment.

9.7 Grundfos may change the price for products and/or services in the published price list at any time without notice. If a published price changes after the Customer has placed an order,

Grundfos may, at its option, apply the updated price to Customer for acceptance. If Customer does not accept the updated price, Grundfos may, at its option, cancel the Customer's order with Grundfos' sole obligation being to refund any payment already made by Customer.

10. WARRANTY

THE WARRANTY

10.1 Grundfos warrants to deliver the products and services in accordance with the Agreement. A product is defective only if it is not delivered in accordance with the Agreement due to faulty material, design or manufacturing on the part of Grundfos or a third party acting on Grundfos' behalf.

10.2 Without altering the general nature of Clause 10.1, damage is not covered by the warranty if due to (including); ordinary wear and tear; use of the products for applications for which they are not intended; installation of the products in an environment not suitable for the products in question; modifications, alterations or repair of the products or services undertaken by customer or a third party (not acting on Grundfos' behalf); failure to follow Grundfos' instructions, e.g. in its installation-, operation-, maintenance- or service manual; installation, commissioning, operation (e.g. use of any Grundfos product outside its specifications) or maintenance not in accordance with Grundfos installation-, operation-, maintenance- or service manual or with good industry practice; use of faulty or inadequate ancillary equipment in combination with the products or services; the application of spare parts of poor quality (excluding the application of any Grundfos original spare parts); accidental or intentional damage or misuse of the products or services by customer or third party (not acting on Grundfos' behalf); and customer's or its own product's non-compliance with applicable law and regulation. (b) if the whole product as such (e.g., a pump) is replaced, a new Warranty Notification Period of 24 months from the date of installation (however maximum 30 months from date of production) of the replaced product applies.

Notwithstanding the above, the Warranty Notification Period does not exceed 60 months calculated from date of production of the first product delivered whether or not customer has acquired extended Warranty Notification Period.

REMEDY OF DEFECTS

10.5 Subject to the terms of the Agreement, Grundfos shall remedy defective (parts of a) product or services covered by the warranty. Grundfos decides whether Grundfos remedies by repair or replacement (in whole or part) of the defective (part of the) product or services. Grundfos remedies defects as soon as possible within normal working hours.

10.6 Place of remedial works is as follows:

(a) For products with a motor with an electrical power of less than [5.5] kW (including products without a motor) and products delivered in connection with services, customer must return the defective product to Grundfos' workshop for repair or replacement, unless Grundfos decides that the remedial works will take place at the place of delivery or the site of the end-user.

(b) For products with a motor with an electrical power of [5.5] kW or greater Grundfos inspects and repairs or replaces the defective product at the site of installation, subject to clause 10.7.

(c) For services, Grundfos inspects and repairs or replaces the defective services at the site of installation of the end-user.

10.7 Grundfos shall cover its costs for repair or replacement of defective products and services. However,

(a) Costs of transportation relating to a defective (part of a) product with a motor with an electrical power of less than [5.5] kW (including products without a motor) and products delivered in connection with services, are allocated as follows:

(i) Customer covers any expenses related to transport, travelling, and travelling time of Grundfos' personnel and the (part of the) product between the place where Grundfos delivered the product and the location of the product (if different from the place of delivery).

(ii) Grundfos covers any expenses related to transport, travelling, and travelling time of Grundfos' personnel and the (part of the) product between Grundfos and the place where Grundfos delivered the product.

(b) Costs of transportation relating to a defective (part of a) product with a motor with an electrical power of [5.5] kW or greater are allocated as follows:

(i) Grundfos covers all transportation costs relating to repair or replacement of the defective (part of the) product. However, if the product is installed on a location that – at Grundfos' discretion – is difficult to reach, Clause 10.7 (a) applies.

(c) Customer covers any expenses for dismounting and mounting.

(d) Customer covers Grundfos' expenses related to waiting time caused by customer.

(e) If it shows that a product subject to repair or replacement did not suffer from a defect, customer shall cover all expenses related hereto, including transportation costs. Grundfos may charge an amount calculated based on Grundfos' pricelist to cover any expenses related to such service.

10.8 Unless requested by Grundfos, the product may not be disassembled prior to remedy. Any failure to comply herewith will render the warranty void.

10.9 Grundfos may refuse – and will not be liable, in contract, tort (including negligence), breach of statutory duty or otherwise – to remedy defects, if Grundfos considers that such remedy may cause harm to the environment or injury to people.

10.10 The remedy of repair or replacement is the only remedy available to customer for defective products or services, except when Grundfos acts with malicious intent. Subject to Grundfos' obligations as regards product liability, cf. clause 11, Grundfos has no other or further liability to customer whether for breach of agreement, negligence or otherwise in respect of any defect in a product or service.

11. PRODUCT LIABILITY

11.1 Grundfos assumes liability for personal injury (including death or injury) and damage to real and personal property, caused by defective products to the extent set out in applicable mandatory law on product liability. Grundfos' liability for damage to real and personal property (not being consumer property) caused by a defective product is subject to the limitations in Clause 12, however, so that Grundfos' total liability as described Clause 12.2 for damage to real and personal property is limited to a maximum amount of the higher of EUR 3 million (per claim and in the annual aggregate) and the amount set out in Clause 12.2. Customer assumes all product liability, which is not allocated to Grundfos in this Clause 11.1.

11.2 If a party is held liable for damages allocated to the other party in Clause 11.1, then the other party shall indemnify the first party for any amount paid inconsistently with the allocation in Clause 11.1.

12. LIMITATION OF LIABILITY

12.1 To the extent permitted by applicable law, neither party is liable (in contract, tort (including negligence), breach of statutory duty or otherwise) for loss of production, loss of turnover, loss of profit, loss of business opportunity, loss of data, loss of savings, loss of goodwill, loss relating to unauthorised access to data or systems, loss as a result of business interruption, or any other indirect or consequential losses of any kind whatsoever arising under, relating to or in connection with the Agreement or a breach hereof. Grundfos is not liable for any penalties and similar contractual liabilities levied against the customer by a third party.

12.2 To the extent permitted by applicable law, Grundfos' total liability (including in regard to third-party claims) towards customer in respect of all losses arising under or in connection with the Agreement and the cooperation, whether in contract, tort (including negligence), breach of statutory duty or otherwise, will not exceed an amount equal to 30 % of the total amount paid or payable by customer under the Agreement (excl. any VAT and taxes) on which the claim is based.

12.3 The limitations set out in Clause 12.1 and 12.2 do not apply if an act or failure to act of a party causes personal injury; or if a party intentionally or in gross negligence causes the other party to suffer a loss.

12.4 The parties agree that the price for the products and services reflects the balance of the parties' rights and obligations under the Agreement, also including the limitations in Clause 12.

12.5 If customer bases a claim on losses deriving from more than one agreement or from one or more agreements in combination with a Grundfos company's delivery of products or other services, then Grundfos' total liability (if any) will be allocated to the different supplies based on each such supplies' contribution to the claimed losses. Each allocated part of the total liability will be determined in accordance with the legal basis applicable between the parties for the said part of the total losses, including any agreed limitation of liability.

13. INTELLECTUAL PROPERTY RIGHTS

13.1 Customer shall use the products in a manner that does not infringe third party rights.

13.2 Nothing in the Agreement or otherwise transfers or assigns any intellectual property rights, in or arising out of or in connection with the products or services and in any manuals or documentation given by Grundfos to customer.

14. INDEMNIFICATION

14.1 With respect to any Proceeding brought by someone other than customer against Grundfos and that arises out of or in connection with the Agreement, the corporation or customer's purchase or use of the products and/or purchase of services, customer shall indemnify Grundfos against all Losses arising out of that Proceeding, except to the extent that Grundfos negligently or intentionally caused those Losses. "**Proceeding**" means any judicial, administrative, or arbitration action, suit, claim, investigation, or another proceeding. **"Losses"** mean any litigation expenses (including any reasonable out-of-pocket expense incurred in defending a proceeding or in any related investigation or negotiation) and any loss (including any amount awarded in, or paid in settlement of, any Proceeding).

Customer receives the ownership of drawings and descriptions necessary for the proper installation, starting, operation and maintenance of the products. Upon Grundfos' demand, customer shall treat these data confidentially.

16. CHANGES

16.1 Grundfos shall have the right to make any changes to the products and services, which are necessary to comply with applicable law or safety requirement, or which do not significantly affect the nature or quality of the products and services negatively. If Grundfos requests other changes, customer shall not unreasonably withhold or delay consent to such requests.

17. CONFIDENTIALITY

17.1 A party (receiving party) shall keep in strict confidence all technical or commercial know-how, specifications, prices, inventions, processes, initiatives and any other information concerning the disclosing party's business, its products and services which are of a confidential nature (confidential information) and have been disclosed to the receiving party by the other party (disclosing party), its employees, agents or subcontractors (representatives). The receiving

party shall not use confidential information of the disclosing party for purposes other than the performance of its obligations under the Agreement, including (except as permitted by applicable law) not to reverse engineer the products and any software in the products. The receiving party may only disclose confidential information to those of its representatives who need to know to discharge the receiving party's obligations and rights under the Agreement and shall ensure that such representatives comply with the obligations set out in this Clause 17 as though they were a party to these terms.

17.2 The obligations under this Clause 17 apply from the execution of the Agreement and – subject to applicable law – for a period of 5 years after the Agreement expires or is terminated.

18. FORCE MAJEURE

18.1 Neither party will be in breach of the Agreement nor liable for delay in performing, or failure to perform, any of its obligations under the Agreement if such delay or failure results from a hindrance beyond its reasonable control ("**Force Majeure**"). In the event of a Force Majeure, the parties agree to suspend the affected party's obligations until the Force Majeure situation ceases to exist.

18.2 Either party may terminate the Agreement with immediate effect upon notice to the other party if the period of Force Majeure continues for a period of 3 consecutive months. In case of termination due to such circumstances, neither party shall be liable to the other for such termination. However, such termination will not affect any pre-existing liabilities or claims or any other provisions of the Agreement which, by nature, are intended to survive the termination of the Agreement, such as Confidentiality clause.

19. TERMINATION

19.1 If a party materially breaches its obligations under the Agreement, the other party may, with no effect on its other rights and remedies, terminate the Agreement with immediate effect, *if* either such material breach is incapable of remedy; *if* the defaulting party to the Agreement has failed to remedy within 30 days after receiving notice requiring it to do so; or *if* – for material breaches that due to their nature are incapable of remedying within the 30 days period – such remedy has not been initiated within 30 days after receiving notice requiring it to do so. The above-mentioned does not affect any other termination rights given under the Agreement.

19.2 Termination of the Agreement (regardless of the cause) will not affect those provisions of the Agreement which, by nature or necessity, provide that they operate after any expiration.
