

Certificate DE12/81830455.00

The management system of

Grundfos Holding A/S

Poul Due Jensens Vej 7, DK 8850 Bjerringbro

has been assessed and certified as meeting the requirements of

ISO 45001:2018

Occupational health and safety management systems — Requirements with guidance for use

For the following activities

Design, development, customization, manufacturing, assembly, warehousing, marketing, sales, distribution, service and repair of pumps, pump and pumping systems (such as dosing pump systems, dosing and disinfection systems, pump gate systems, water supply systems, secondary water supply systems, fire systems, pump systems including fire protection pumps, pump systems containing Control Unit), pump and pumping stations (such as smart pump stations, prefabricated pump and pumping stations), electric motors, agitators, controls, equipment (such as secondary water supply equipment), accessories (such as accessories for liquids transfer systems), components, pump parts, and services in connection with the movement of liquids, primarily water.

This certificate is valid from 24 March 2026 until 14 February 2027 and remains valid subject to satisfactory surveillance audits.

Issue 22. Certified since 08 February 2021

Multiple certificates have been issued for this scope, the main certificate is numbered DE12/81830455.00

Certified activities performed by additional sites are listed on subsequent pages.

This organization was previously certified to OHSAS 18001 since 17 June 2011
