

Certificate DE13/81841218.00

The management system of

Grundfos Holding A/S

Poul Due Jensens Vej 7, DK 8850 Bjerringbro

has been assessed and certified as meeting the requirements of

ISO 9001:2015

For the following activities

Design, development, customization, manufacturing, assembly, warehousing, sales, distribution, service and repair of pumps, pump systems (such as dosing pump systems, pump gate systems, secondary water supply systems, fire systems), pump stations (such as smart pump stations, prefabricated pump stations), electric motors, agitators, controls, equipment, accessories, components, and services in connection with movement of liquids, primarily water.

This certificate is valid from 14 February 2024 until 14 February 2027 and remains valid subject to satisfactory surveillance audits.

Issue 19. Certified since 17 June 2011

Multiple certificates have been issued for this scope, the main certificate is numbered DE13/81841218.00

Certified activities performed by additional sites are listed on subsequent pages.
